Cover Design Art Work Contest in the School District of Cudahy ~ Winner Selected, Aman Preet of Cudahy Middle School.

The City of Cudahy Civic Celebrations Committee and the Office of the Mayor would once again like to thank the talented Cudahy Middle School students that submitted their art work for consideration for the cover of our Cudahy 2016 Fourth of July Brochure. Once again this year, there were many extremely good entries that the selection committee reviewed, making the decision a very difficult decision to only pick one winner.

The Committee is pleased to announce today the 2016 winner is Aman Preet, 8th grader at Cudahy Middle School. Her art work will be featured on the 4th of July brochures and posters to publicize our event. Ms. Preet was presented a framed copy of her art work at the Cudahy Middle School Awards Assembly on Thursday June 2nd.

Thank you again to Cudahy Art Teacher Ms. St. John, all of the teachers, and students who participated in this year's contest. Our community is blessed to have such talented students who are willing to share those talents with others.

John R. Hohenfeldt

Mayor
