## **Notice of Meetings For the Packard Avenue Road Reconstruction Project**

The pavement reconstruction portion of the Packard Avenue Road Reconstruction Project is scheduled to begin sometime this summer. In order to become familiar with the project, Packard Avenue residents and property owners are invited to attend a:

**Public Informational Meeting**  
**March 27<sup>th</sup>, 2017 from 6:00pm – 8:00pm (come anytime)**

At this meeting, residents & property owners can view the plans, discuss issues with the engineers, find out what it will cost based on the bid value and get an estimated project schedule. This meeting is informal so you can come at any time between 6:00 p.m. and 8:00 p.m.

In addition to the Public Informational Meeting there will a formal meeting to discuss the special assessments. Although special assessment information will be available at the Public Informational Meeting, the public hearing gives the property owner the ability to discuss the special assessment policy in front of the elected officials. The Public Hearing however, is not a meeting to discuss the details of the construction.
