

## October Business of the Month

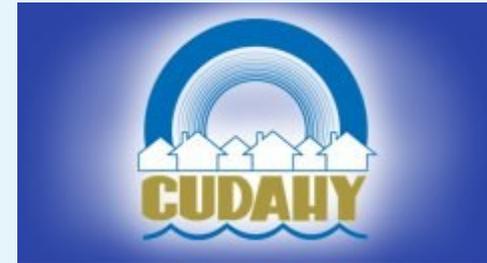

Pick 'n Save  
5851 South Packard Avenue  
414-744-8883

We spoke with Tim Covelli, Store Manager

**How is the Cudahy Pick 'n Save involved in civic events, organizations or causes?**

TC: We are involved with the Lions Club. We supply food for and host the Lions Club brat fry in front of the store. Recently we donated 40 cases of water to the Patrick Cudahy bacon races this past summer.

**Are there noticeable distinctions to being the only local grocery chain in the city?**

As a part of a continuing effort to promote local business here in the City of Cudahy, the Office of the Mayor has begun a new feature called the **Cudahy Business of the Month**.

Each month, we will interview a local business owner to showcase his or her business. In-turn, this will help residents of our community and elsewhere become familiar with the many quality, local companies located within our borders. - Mayor John Hohenfeldt

Being

the local grocery we are able to work with local farms to get fresh produce in our stores. A lot of deli and bakery products are produced in Wisconsin and we work with local businesses to carry local products.

**What separates you from your competition elsewhere?**

I'd say using many of our local resources as possible to produce fresh products for our customers.

**Pick 'n Save is owned by Roundy's. Do they have possible plans of store expansion or renovation, interior or exterior?**

We are working on plans to reset the store in the next year and update some of the equipment. Those plans are in the preliminary stages.

**What would you like or hope to see in the commercial area surrounding the store?**

In our plaza we'd really like to see some businesses move in and update the property, and bring some money to Cudahy.

**How many employees do you have? Are they mostly residents of Cudahy or from outside as well?**

We have 70 employees. Most of them are residents of Cudahy and a few are residents of South Milwaukee.

**What are your hours of operation?**

We are open 6 am to 10pm daily.

**As always, we encourage you to support each and every local business. We hope that this feature of *Pick 'n Save* has helped you become more familiar with this local business.
