1. Welcome
2. ASQ Updates: 2015 16 completed screenings, so far 1 online screening has been completed in 2016.
  - a. Continuing Daycare Outreach: Relationship with Acelero to share screening data to assure that Cudahy children are being screened for growth and development when appropriate.
  - b. In an effort to increase the number of screenings completed, nursing staff is working on fitting screenings into other appointments at CHD (Vaccine, Dental Varnish)
3. Breast Feeding
  - a. Renee officially received her CLC Certification
  - b. MCH 2016 Goals include making 2 local Daycare sites and 2 local worksite/community areas "Breastfeeding Friendly".
    - i. CHD will be one of the Worksites
    - ii. Library-community area
    - iii. 2 Daycare Centers...Acelero has expressed some interest in becoming a breastfeeding friendly site.
4. Dental Varnish Program:
  - a. In effort to meet the un-met dental needs of Cudahy residents, CHD started the Oral Health Program in the last quarter of 2015. This program launched with huge success.
  - b. 44 dental health assessments and oral varnish applications completed for the month of December
  - c. CHD staff set a goal of 10 dental health assessments/varnishes to be done weekly. If this goal is met, we will greatly surpass the 2016 Strategic Plan Oral Health Goals.
  - d. Daycare Dental Health Day: Starting in February of 2016 (national oral health month) CHD staff will be providing "Dental Health Days" at our local Daycare centers. Jodi's Family Daycare is already scheduled, Dates to be determined for both St. John's and Acelero. CHD can provide this service to Cudahy children under the age of 6 years old 4 times a year.
5. New Service Available: Well Child Checks
  - a. Birth to 5k
