**STARS AND STRIPES HONOR FLIGHT**

**Every Day is a Bonus**

Stars and Stripes Honor Flight (SSHF), based out of Port Washington, WI, honors all veterans by flying WWII, Korean War, and terminally ill veterans to Washington, DC to visit their memorials. With 5 flights planned for 2016 so far, Stars and Stripes Honor Flight is still growing. Time is of the essence for our veterans. The Greatest Generation is slowly fading away, and SSHF has pledged to celebrate every remaining WWII and Korean War veteran before it is too late. SSHF relies on donations and fundraising events like these to be able to take flight. This inaugural 5K run/walk is a great way to help honor more veterans in this special way!
