**NEW BUSINESS**

- 1. Discussion & action regarding the delivery of wood chips to residents.** DPW Director Lange informed the Board of Public Works that the City Public Works department has been delivering wood chips to private residences at no charge. Lange stated that this practice not only costs the City substantial money but the department does not have the work force to accommodate this. DPW Superintendant Stern stated that the property owner insists that the wood chips be dropped off on driveways or up the drive. This becomes a liability for the City. Stern told the Board that he can put another bin out at the Water annex off Whitnall and have residents serve themselves. Motion made by Lohr seconded by Hollenbeck to discontinue the delivery of wood chips by the department of Public Works to residents and to have DPW set up another “self-serve” wood chip bin at the annex. All voted in favor.

**All other agenda items were updates and no action was required.**

Motion made by Clark seconded by Lohr to adjourn meeting. All voted in favor.

Meeting Adjourned: 6:11 p.m.
