

Payment Options

Currently, the City of Cudahy Water Department accepts payment in three forms

- Cash
- Check
- E-Check

Cash

Pay in person at Cudahy City Hall, 5050 S. Lake Drive, Cudahy, WI 53110. Water Bill can be paid at the Treasurer's office if you have your bill handy. Replacement bills can be obtained at the Water Department.

Check

Checks are accepted in person, through mail, or through the overnight drop box located by the front doors of City Hall. To make sure payment is applied to the correct account, please include the top portion of your water bill or post the 6 digit account number on the check. Please mail checks to Cudahy Water Department, P.O. Box 100380, Cudahy, WI 53110-6106

E-Check

Electronic checks are accepted by the City of Cudahy Water Department. Please be advised this process may take up to ten business days for the Water Department to receive payment. **A 1% penalty will be applied monthly to all checks received after the due date listed on the Water bill**, even if sent before the due date.

At this time we do not accept credit or debit cards.

Title Search/Final Bill

All title searches and final bills will be assessed a \$25.00 charge.

September	April 1 – July 31
District 4	
Billed	Period Covering
February	September 1 – December 31
June	January – April 30
October	May 1 – August 31

Your bill will contain two water charges

- Water Meter Charge
- Water Usage Charge

Water Meter Charge

This is a fixed charge based on the size of the water meter. The charge pays for installation, repair, maintenance, and reading of water meters.

For a single family home or duplex with a 5/8" or 3/4" meter: **\$18.40 per billing cycle**

Water Meter Charges for meters in the size range of 1" to 12" These meters are typically used in commercial and industrial applications. To obtain prices, please call the Cudahy Water Department at (414) 769-2237.

Water Usage Charge

This charge is based on the volume of water used in the billing period. The charge pays for operation and maintenance of the drinking water treatment plant. Water rates are determined by the Public Service Commission of Wisconsin (PSC) in order to ensure the financial stability of the utility and fair value for customers.

Water Usage Charge (residential): **\$1.86 per 100 cubic feet.**

Water Meter Charges for non-residential customers. Water is billed using a declining block rate structure in which the charge per quantity of water decreases as water usage increases. To obtain prices, please call the Cudahy Water Department at (414) 769-2237.

SEWER CHARGES

Your bill will contain two sewer charges

- Local Sewer Charge
- Milwaukee Metropolitan Sewerage District (MMSD) Sewer Charge

Local Sewer Charge

The local sewer charge is used for maintenance and replacement of Cudahy's sanitary sewer system. Sanitary Sewer includes everything that runs down drains, toilets, sinks etc. The charge is made up of a **connection cost of \$23.57 plus the amount of water used at \$0.457 per 100 cubic feet (748 gallons).**

MMSD Sewer Charge

These charges are billed on behalf of the Milwaukee Metropolitan Sewerage District. Rates are set by MMSD, which include the costs to treat wastewater, run sewage treatment plants, the deep tunnel system and connection charges. MMSD Fee includes a **connection charge of \$9.95 plus the amount of water used at \$1.24 per 100 cubic feet (748 gallons).**

FIXED UTILITY CHARGES

Your bill will contain two fixed charges which are based on meter size.

- Storm water
- Public Fire Protection

Storm water

The storm water charge is used for maintenance and upgrades to the storm water sewer system. This system collects all the water from rain and snow, which runs to the lake. Storm water charge is based on the amount of impermeable surface the property contains. All single family homes are billed at 1 ERU (1 ERU = 2700 sq. ft of impermeable surface). The residential charge for storm water is **\$24.64 per billing period.**

Storm Water Charges for non-residential customers is **\$6.16 per month per ERU.**

Fire Protection

Fire Protection charges are used to cover the use of hydrants, and the capacity built into the system in order to rapidly deliver a large volume of water to a fire hydrant anywhere within the City when required.

The public fire charge for residential properties is **\$17.40 per billing period .**

Fire Protection Charges for meters in the size range of 1" to 12" These meters are typically used in commercial and industrial applications. To obtain prices, please call the Cudahy Water Department at (414) 769-2237.
