

LEAD HURTS !

Do you live in a home built before 1950?

Are you pregnant or have children under the age of six?

The Cudahy Health Department offers a free program called Healthy Babies in Healthy Homes. A nurse will test your home for lead and provide you with helpful information to reduce potential lead hazards.

Call the Cudahy Health Department at 769-2239 Ext. 304 for more information and to sign up for the about our Healthy Babies in Healthy Homes Program!
