

Animal Licensing is required for all dogs and cats over 5-months-old in Cudahy!

Why license?

1. Licensing is one important part of responsible animal ownership! Licensed pets have been vaccinated for rabies which protects residents and other animals.
2. Pets that are found wearing a current license tag are put on the FAST TRACK HOME! If your pet is licensed we will already have your contact information and rabies information in our computer system which will expedite the return home of your companion.
3. Pets that are found wearing a current license tag are also eligible for an annual "Free Ride Home" by Milwaukee Area Domestic Control Commission (MADACC) Animal Control Officers! This saves your animal the stress of coming into the facility and you from the expenses associated with reclaiming an animal. Please note that we have to be able to reach you when we pick up the animal to take advantage of this program! Current contact info is always important!
4. Reclaimed cats and pit bull type dogs are eligible for a FREE spay or neuter surgery!

Licenses must be purchased each year in December for the next calendar year. There is a built in grace period before late fees kick in. License fees are as follows:

Altered (spayed or neutered) dog or cat prior to April 1	\$ 12.00
Intact or Unaltered dog or cat prior to April 1	\$ 24.00
Altered (spayed or neutered) dog or cat starting April 1	\$ 18.00

Puppies or Kittens – special fees for new family members	
Altered and are 5-months-old AFTER July 1	\$ 6.00

Impound Fee	\$ 30.00 (for an unlicensed animal, \$20 for licensed animal)
