

## Safe Practice Guidelines

### Important Ways to Slow the Spread & How to Protect Yourself

- Wear mask or cloth face coverings when indoors or in an enclosed space, other than a private residence
- Stay home as much as possible and limit trips to the essentials like buying groceries
- Wash hands with soap and water for at least 20 seconds as frequently as possible or use hand sanitizer
- Cover coughs or sneezes (into the sleeve or elbow, not hands)
- Know the symptoms of COVID-19 and get tested if you have any symptoms of illness
- Get vaccinated when you are eligible for the COVID-19 vaccine

	Occupancy	Safe Business Practices
